

Proceedings & Literature of  
National Seminar on  
**Engineering and Forensic Aspects of  
Structural Foundations  
(EFSF-17)**

**Editor Dr A V Shroff**  
Emeritus Professor,  
M.S. University of Baroda, Vadodara

- ❖ **Indian Geotechnical Society, Baroda Chapter**
- ❖ **Applied Mechanics Department,  
M. S. University of Baroda, Vadodara**
- ❖ **Structural Engineers' Association, Baroda**

**NATIONALSEMINAR**  
**On**  
**ENGINEERING AND FORENSIC ASPECTS OF**  
**STRUCTURAL FOUNDATIONS**  
**(EFSF-17)**

**INDEX**

Sr.No.	Paper	page
1	Geotechnical vulnerabilities in failures – Indian experience. V V S Rao and A. Sargunan	1
2	Some Observations on role of uncertainties in forensic geotechnical engineering. G L Sivakumar Babu , K K Phoon, M Uzielli	8
3	Diagnostic analysis and repairs of distressed Hydraulic Structures: case Studies of Gujarat ,India Vivek P Kapadia	17
4	Forensic aspects of professional services as geotechnical consultants Kirty Dave	28
5	Analysis of failure mechanism of piles in liquefied soil G L Sivakumar Babu and S Haldar	45
6	Adjacent building induced settlement reduction in residential constructions Reza Jamshedi Chenari, Abolfazl Mohafezatkar	55
